

Harrow Weald Conservatives

5 REASONS TO VOTE CONSERVATIVE ON 6TH MAY

1. Council Tax Freeze

No council tax rise this year, or until at least 2013 under a Conservative council and government.

Twelve years of Labour and Lib Dem control saw massive tax rises and left the council almost bankrupt.

2. Better services and cleaner streets

Harrow is now rated 3-star from the Audit Commission and the 2nd most improved council in the country. We are aiming even higher.

Labour and the Lib Dems left Harrow a failed 2-star council, one of the worst in London.

3. A strong voice for Harrow Weald

We have delivered new facilities in Harrow Weald Rec and new investment at Cedars, planted hundreds of trees, and opened a nature trail on the Common.

The Lib Dems have said nothing positive about how they would improve Harrow Weald. They even failed to turn up to last week's election debate at All Saints Church.

4. Support for businesses and jobs in Harrow

We will act immediately to cut the deficit and stop Labour's tax on jobs.

The Lib Dems support Labour's "jobs tax" and want us to join the Euro.

5. Action on crime and immigration

We will introduce tougher sentencing for criminals and a cap on immigration.

The Lib Dems would free 60,000 criminals and allow 600,000 illegal immigrants to stay.

Getting the Council You Want

This election is a choice between a Conservative or a Labour council. The Lib Dems have been rejected across Harrow and have very little impact on how the council is run. We need your help to continue to improve Harrow Weald and keep taxes down, by voting for three Conservative councillors on May 6th.

On May 6th you will have four votes, one for the MP and three for Councillors. Vote for your 3 Harrow Weald Conservative candidates:

1		RAMJI CHAUHAN	X
