

Bannister Centre Car Boot Sale

When we visited Birch Park, Ross Close and Uxbridge Road last week we found residents were worried about what will happen when the car boot sales start next weekend.

We have spoken to the Council to raise these concerns, particularly about the parking. We plan to visit during the first sale to check how it works out in practice.

If you have any problems please let us know. What would be particularly helpful would be if you could take photos of any antisocial or illegal parking. Email or send them to the address below. Evidence, like photos, makes it much easier to argue the case for action.
