

## Weald 20mph Zone

The Labour council is introducing a 20mph zone around Weald School, including road humps and new yellow lines. We pushed the council to properly consult and listen to residents. We had the consultation delayed as it was planned for the summer holidays.

Many residents objected to road humps in Chestnut Drive and Weald Rise as there is no speeding problem there. The council ignored these wishes, but we were able to get the number of humps reduced. An unpopular one-way system was also dropped. Residents in The Avenue wanted road humps in their road and these were added to the scheme.

We are also pressing for stronger parking enforcement around the school to help local residents.

**We work hard to support our residents and make progress wherever possible.**

## Getting the Job Done!

**Kenton Lane** A disabled resident received a very unjust parking ticket. We were able to persuade council staff to drop the ticket in the interests of common sense. 

**Elms Road.** The bushes by the War Memorial Hall were growing over the pavement. When the council cut the bushes on the road they missed these out. We had them cut. 

**West Drive** Someone fly tipped some electrical light fittings at the top near Brookshill. There were some company details so we contacted the Envirocrime team. Unfortunately the lead was a dead end. 

**Hutton Lane** New residents found that they were missing some dustbins. We intervened and this was sorted very quickly. Welcome to Harrow Weald! 

**Lorraine Park** When we visited some time ago residents showed us the poor quality of some of the pavements. We got onto the council who have repaired the problems. 

## Stop Press

**Labour Cllr David Gawn convicted for Fraud and Attempted Theft**

Labour Cllr David Gawn has pleaded guilty to attempted theft of £7,000 from a vulnerable person who trusted him. On 20<sup>th</sup> Dec he was sentenced to a suspended prison sentence.

**Cllr Gawn should now do the right thing and resign**

## Harrow Weald Common

The three Conservative Councillors are Trustees responsible for preserving the Common. We make sure repairs are done, litter cleared etc.

We also manage the finances and have been able to put together the next stage of the programme to improve the paths on the Common. There will be some better drainage dug and some wooden bridges over the muddiest bits.

## Let us know what you think should be done with the Common

### Leaf Clearance

The Labour council is making further cuts to the streets budget, they plan to reduce the frequency of street clearing. An early sign is leaves left on the ground this autumn. There were leaves on the ground between **Whitegate Gardens** and **Robin Hood Drive**. We got onto the council and they were cleared up.

**Let us know if your road is  
not kept in good condition.**

### Cllr Stephen Greek with uncut verges

This photo is in **Kelvin Cres** but we could have used photos from all over the ward. The grass cutting this year has been terrible.

**We will to try to get the  
council to make proper  
plans for next spring**
