

EDGWARE CONSERVATIVES CONDEMNS 'DISGRACEFUL' HIVE DECISION

The West Stand at the Hive which contravened planning permission.

Residents around the Hive are now counting the cost of having Labour or Independent Labour Councillors.

Local residents have had their view blighted by a West Stand and their homes are being lit up late into the evening by floodlights, both far exceeding their original terms.

Harrow Council originally refused Barnet FC's application to authorise these works after they had completed them. However, at the recent Planning Committee Meeting, Labour proposed that the Council drop the appeal both on the unauthorised West stand and the floodlights and so, because of the unholy Labour/Independent Labour alliance, Barnet FC has been given a green light to do as they please. The fact that Barnet FC has been rewarded for building not in accordance with the approved plans is a disgrace and Labour and Independent Labour are to blame.

People living in Queensbury and Edgware will have a constant reminder of this betrayal and should refuse to vote Labour ever again. Remember this when Labour come knocking on your door asking for your vote.

JUSTICE AT LAST!

Labour's legacy of council tax misery finally comes to an end as Conservatives successfully negotiate a freeze for 2014 - 15

Local candidates Akil Dhalla and Sima Halai were at the thick of the action as the Conservative Campaign to freeze Council Tax concluded with a victory for the residents of Harrow.

Akil, said; "we are going to prove to the residents of the Borough that we can deliver a cleaner, safer and fairer Harrow for less! That's what the residents deserve after suffering the mismanagement of the Council by Labour!"

Sima, added; "this is going to help Harrow's most vulnerable people who were affected badly by Labour's obsession with raising taxes. Now residents will not have to worry about yet another tax hike and they can decide for themselves how to spend their hard earned wages."

High Priority Given to Planning Enforcement

Cllr Stephen Greek inspecting a potential site contravening planning regulations.

Planning enforcement has been given a high priority by the new Conservative council, under cabinet member Stephen Greek. Extra resources have been given to the enforcement team, increasing the number of officers from 2 to 5, to deal with the huge backlog of cases left by Labour. Over 300 potential 'beds in sheds' were found using heat mapping technology and are now being investigated.

Good news on extra school places at Harrow East schools

Bob Blackman MP has welcomed the £70 million being provided by the Conservative led Government to provide more than 3,000 additional school places across Harrow. This is in stark contrast to the failure of the last Labour Government to provide these much needed places.

Harrow Conservatives have lobbied hard to obtain this funding. 2 years ago, Harrow's Labour Administration failed to even submit a bid for funding so no money was allocated to Harrow!

Local candidate Marcus Chaplin said, "This is great news for local parents who want a place at Harrow East schools. There is nothing more important than providing the best start in life for our children."

Expanding Avanti Free School

Conservative lead Harrow Council has supported a feasibility study into the use of Whitchurch playing fields in Stanmore, as site for the expansion of Avanti free school - the only school of its kind in the whole of the UK.

Hannah David, Bob Blackman MP and Justine Greening MP, the Secretary of State for International Development, visited the Avanti free school last year.

Conservatives believe that it should be agreed that the fields be well maintained and remain open to other schools and communities if permission for the expansion is granted.
