## KENTON EAST CONSERVATIVES WORKING ALL YEAR ROUND!

**Paul Stanley, Viomini Amin, Bob Blackman MP, Kanti Rabadia and David Ashton out in all weathers talking to the residents of Darcy Gardens.**

**Your Conservative candidates have been exceedingly busy working on behalf of residents.** Amongst the issues being pursued your Kenton East ward action team is actively supporting local residents to highlight the issue of poor parking causing congestion and speeding cars which are a danger to pedestrians and school children in Moorhouse Road. We have reported both the problems to the Council and are awaiting a response. If you have any other problems let us know and we will do our best to raise them with the Council and get them resolved.

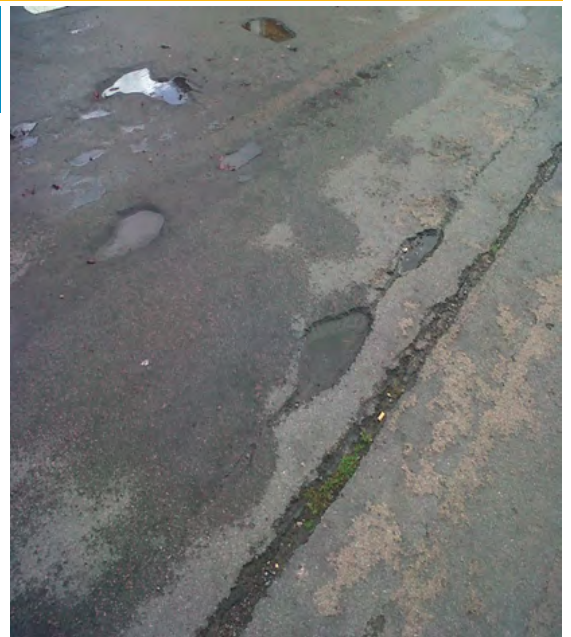

### POTHoles ON SHREWSBURY AVENUE

**After years of neglect by the previous Labour administration and its disastrous policy to cut frontline services, the new Conservative administration is taking action.**

During a visit on Shrewsbury Avenue, local candidate Viomini Amin noted the complaints of the residents regarding the poor state of the road surface at Shrewsbury Avenue.

The road has numerous broken foot paths, pot holes and poor resurfacing which has made it unsafe to pedestrians and road users. The road is used as a short cut by cars and lorries as well as parents with children at several local schools which makes the road very busy. It has not been repaired or resurfaced for some years.

We have reported the issue to the Council and will continue to monitor and report back until the road has been resurfaced.

# JUSTICE AT LAST!

## Labour's legacy of council tax misery finally comes to an end as Conservatives successfully negotiate a freeze for 2014 - 15

Local candidates Anjana Patel and Manju Parmar were at the thick of the action as the Conservative Campaign to freeze Council Tax concluded with a victory for the residents of Harrow.

Anjana, said; "we are going to prove to the residents of the Borough that we can deliver a cleaner, safer and fairer Harrow for less! That's what the residents deserve after suffering the mismanagement of the Council by Labour!"

Manju, added; "this is going to help Harrow's most vulnerable people who were affected badly by Labour's obsession with raising taxes. Now residents will not have to worry about yet another tax hike and they can decide for themselves how to spend their hard earned wages."

## High Priority Given to Planning Enforcement

**Cllr Stephen Greek inspecting a development without planning permission.**

Planning enforcement has been given a high priority by the new Conservative council, under cabinet member Stephen Greek. Extra resources have been given to the enforcement team, increasing the number of officers from 2 to 5, to deal with the huge backlog of cases left by Labour. Over 300 potential 'beds in sheds' were found using heat mapping technology and are now being investigated. An enforcement notice has also been issued to tackle problems at The Hive in Edgware - this has now gone to appeal and residents will be able to give their views at the planning inquiry later this year.

## Good news on extra school places at Harrow East schools

**Kenton East ward candidate Viomini Amin at Kenmore Park School.**

Harrow Conservatives have lobbied hard to obtain this funding. 2 years ago, Harrow's Labour Administration failed to even submit a bid for funding so no money was allocated to Harrow!

Viomini Amin welcomed the news, "This is great news for local parents who want a place at Harrow East schools. There is nothing more important than providing the best start in life for our children."

Bob Blackman MP has welcomed the £70 million being provided by the Conservative led Government to provide more than 3,000 additional school places across Harrow. This is in stark contrast to the failure of the last Labour Government to provide these much needed places.

## Expanding Avanti Free School

Conservative lead Harrow Council has supported a feasibility study into the use of Whitchurch playing fields in Stanmore, as site for the expansion of Avanti free school - the only school of its kind in the whole of the UK.

**Hannah David, Bob Blackman MP and Justine Greening MP, the Secretary of State for International Development, visited the Avanti free school last year.**

Conservatives believe that it should be agreed that the remaining area of fields should remain for other schools and community if permission for the new school is given.
