March 2014

LABOUR CONTINUES TO MISINFORM TO JUSTIFY THE MESS THEY LEFT BEHIND!

Labour has resorted to misinformation in a desperate attempt to cling on to their only seat in Kenton West. Labour misled you about the future of the former Kenton West Bowling Pavilion which is now being used as a café.

The former pavilion needed complete refurbishment. Labour did not provide any funding to enable refurbishment. Your Conservative Councillors used their allocated monies to update the facility by installing toilets and benches for the use of the residents.

Conservatives took over the administration in September 2013 and established that there was no contract for the café, no approval for it to be run as a café, no buildings or employers liability insurance and no compliance to health & safety legislation. The former Labour administration was not even aware that the building was being used as a café. The Conservatives acted to make sure that all the necessary arrangements were made to allow the café to be available to the whole community. It was never put up for sale under the Conservative administration.

Labour cannot be trusted to tell you the truth!

DANGEROUS WASTE REMOVED AT WILLOWCOURT ROAD

We continue to support local residents in their plight against fly-tipping. Your Conservative action team reported the problem of an oil drum consisting of dangerous waste alongside dumped rubbish that was proving to be an eyesore. We had it removed with the help of the Council. We are aware of

BEFORE

AFTER

other fly-tipping hotspots and problem areas that have been reported to us by residents. We have reported these to the Council for clear-up and will continue to monitor the areas on a regular basis.

OUR RECORD OF ACTION AND A PROMISE OF MORE

Many local residents have appreciated the hard work of the Kenton West action team. We have reported lots of incidents of fly-tipping, potholes, broken pavements, trees & grass verges maintenance and much more. We will continue to actively support residents in making the area Cleaner, Safer and Fairer.

WORKING HARD ALL YEAR ROUND.....

- Elgin Avenue**
Supported residents to have double yellow lines introduced at the bend approaching from Kenmore Avenue. This will hopefully prevent bad parking and improve road safety.
- Kenmore Avenue**
Actively assisting a disabled resident to receive the right care and support services from the Council.
- Kenton Lane**
We are please to inform residents that Kenton library will benefit from new computer equipment and Wifi services. Malicious rumours of its closure are totally untrue and this valuable community resource is safe under a Conservative administration.
- Becmead Avenue**
We are working with the Council to have parking restrictions lifted between 11.00 am - 12.00 midday as a result of residents complaints.

LET US KNOW OF ANY OTHER PROBLEMS IN YOUR ROAD AND WE WILL FOLLOW THEM UP!

JUSTICE AT LAST!

Labour's legacy of council tax misery finally comes to an end as Conservatives successfully negotiate a freeze for 2014 - 15

Councillors Marilyn Ashton and Ramji Chauhan were at the thick of the action as the Conservative Campaign to freeze Council Tax concluded with a victory for the residents of Harrow.

Marilyn, said; "we are going to prove to the residents of the Borough that we can deliver a cleaner, safer and fairer Harrow for less! That's what the residents deserve after suffering the mismanagement of the Council by Labour!"

Ramji, added; "this is going to help Harrow's most vulnerable people who were affected badly by Labour's obsession with raising taxes. Now residents will not have to worry about yet another tax hike and they can decide for themselves how to spend their hard earned wages."

High Priority Given to Planning Enforcement

Cllr Stephen Greek inspecting a development without planning permission.

Planning enforcement has been given a high priority by the new Conservative council, under cabinet member Stephen Greek. Extra resources have been given to the enforcement team, increasing the number of officers from 2 to 5, to deal with the huge backlog of cases left by Labour. Over 300 potential 'beds in sheds' were found using heat mapping technology and are now being investigated. An enforcement notice has also been issued to tackle problems at The Hive in Edgware - this has now gone to appeal and residents will be able to give their views at the planning inquiry later this year.

Good news on extra school places at Harrow East schools

Cllrs Vina Mithani and Yogesh Teli at Elm Grove Primary School.

Bob Blackman MP has welcomed the £70 million being provided by the Conservative led Government to provide more than 3,000 additional school places across Harrow. This is in stark contrast to the failure of the last Labour Government to provide these much needed places.

Harrow Conservatives have lobbied hard to obtain this funding. 2 years ago, Harrow's Labour Administration failed to even submit a bid for funding so no money was allocated to Harrow!

Cllr Yogesh Teli welcomed the news, "This is great news for local parents who want a place at Priestmead and Elmgrove schools. There is nothing more important than providing the best start in life for our children."

Expanding Avanti Free School

Conservative lead Harrow Council has supported a feasibility study into the use of Whitchurch playing fields in Stanmore, as site for the expansion of Avanti free school - the only school of its kind in the whole of the UK.

Hannah David, Bob Blackman MP and Justine Greening MP, the Secretary of State for International Development, visited the Avanti free school last year.

Conservatives believe that it should be agreed that the fields be well maintained and remain open to other schools and communities if permission for the expansion is granted.
