Editors : Cllr Marilyn Ashton, Cllr Camilla Bath, Cllr Christine Bednell March 2014

BOB BLACKMAN MP AND STANMORE PARK WARD COUNCILLORS MARILYN ASHTON, CAMILLA BATH AND CHRISTINE BEDNELL HAVE EXPRESSED CONCERNS REGARDING THE REDEVELOPMENT OF ANMER LODGE AND THE SURFACE LEVEL CAR PARK

There is no objection in principle to regeneration and the introduction of an M&S into Stanmore District Centre. However, the current proposal, which includes 120 dwellings and additional parking, has the potential to generate more traffic in an area that is already congested.

There are also concerns regarding the excessive height of the development and the restricted access through Coverdale and Rainsford Close off Stanmore Hill and, on the other side, off Dennis Lane.

STANMORE PARK CONSERVATIVES WORKING ALL YEAR ROUND!

Your Conservative Councillors have been exceedingly busy working on behalf of residents. They secured funding for the festive lights we had over Christmas and have now sponsored the new display of flowers on Stanmore Broadway.

They are also working closely with Bob Blackman MP and the Council to tackle the ongoing concerns about the safety of the pedestrian crossings, given that several major roads feed into the Broadway and traffic flows in all directions.

OUR RECORD OF ACTION AND A PROMISE OF MORE

Many local residents have appreciated the hard work of the Stanmore Park action team. We have reported lots of incidents of fly-tipping, potholes, broken pavements, trees & grass verges maintenance and much more. We will continue to actively support residents in making the area Cleaner, Safer and Fairer.

JUSTICE AT LAST!

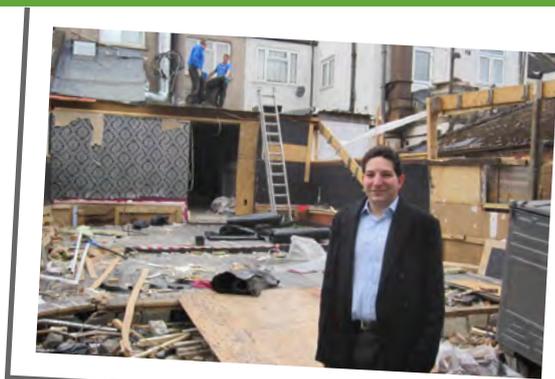

Labour's legacy of council tax misery finally comes to an end as Conservatives successfully negotiate a freeze for 2014 - 15

Councillors Marilyn Ashton and Camilla Bath were at the thick of the action as the Conservative Campaign to freeze Council Tax concluded with a victory for the residents of Harrow.

Marilyn, said; "we are going to prove to the residents of the Borough that we can deliver a cleaner, safer and fairer Harrow for less! That's what the residents deserve after suffering the mismanagement of the Council by Labour!"

Camilla, added; "this is going to help Harrow's most vulnerable people who were affected badly by Labour's obsession with raising taxes. Now residents will not have to worry about yet another tax hike and they can decide for themselves how to spend their hard earned wages."

High Priority Given to Planning Enforcement

Planning enforcement has been given a high priority by the new Conservative council, under cabinet member Stephen Greek. Extra resources have been given to the enforcement team, increasing the number of officers from 2 to 5, to deal with the huge backlog of cases left by Labour. Over 300 potential 'beds in sheds' were found using heat mapping technology and are now being investigated. An enforcement notice has also been issued to tackle problems at The Hive in Edgware - this has now gone to appeal and residents will be able to give their views at the planning inquiry later this year.

Good news on extra school places at Harrow East schools

Bob Blackman MP has welcomed the £70 million being provided by the Conservative led Government to provide more than 3,000 additional school places across Harrow. This is in stark contrast to the failure of the last Labour Government to provide these much needed places.

Harrow Conservatives have lobbied hard to obtain this funding. 2 years ago, Harrow's Labour Administration failed to even submit a bid for funding so no money was allocated to Harrow!

Cllr Christine Bednell welcomed the news, "This is great news for local parents who want a place at Harrow East schools. There is nothing more important than providing the best start in life for our children."

Expanding Avanti Free School

Conservative lead Harrow Council has supported a feasibility study into the use of Whitchurch playing fields in Stanmore, as site for the expansion of Avanti free school - the only school of its kind in the whole of the UK.

Hannah David, Bob Blackman MP and Justine Greening MP, the Secretary of State for International Development, visited the Avanti free school last year.

Conservatives believe that it should be agreed that the remaining area of fields should remain for other schools and community if permission for the new school is given.
