

Harrow Weald Conservatives

5 REASONS TO VOTE CONSERVATIVE ON 22ND MAY

1. Council Tax Freeze

No council tax rise this year, or for the next 4 years under a Conservative council.

*Labour increased council tax and gave Harrow the 3rd highest council tax in London.
The Lib Dems failed to support a council tax freeze.*

2. Cleaning up Harrow Weald

More street cleaning, grass cutting and hedge trimming across Harrow Weald from the new Conservative council. Plus a new 'Blitz Team' to tackle problem areas.

Labour cut funding for three years, neglecting many areas. We are working hard to clear the backlog.

3. Ban on spitting and littering

We are making a new byelaw to fine people who spit and litter in public places.

No other party has been able to tackle this problem.

4. Support for Neighbourhood Champions

We have revived the popular Neighbourhood Champions scheme. There are now over 1,000 champions across Harrow and we aim to have one on every street.

Labour neglected the scheme and now wants to scrap it. The Lib Dems have failed to support it.

5. 20 min free parking

This is being introduced across Harrow's high streets to help residents and traders.

Whilst other parties talk about free parking, we are the only ones to deliver it.

Only a Conservative council can deliver a **Cleaner, Safer & Fairer Harrow Weald**. Voting for other parties could let Labour back in.

Getting the Council You Want

Your vote could make the difference between a Conservative and a Labour council.

The Lib Dems have very few candidates across Harrow and can have no impact on how the council is run. They can't win in Harrow but voting for them could let a Labour council back in.

If you want a Conservative council you need to vote for three Conservative councillors in Harrow Weald.

In the council election you have **three votes**.
Vote for your three Conservative candidates:
