LABOUR'S DAMAGING CUTS

Harrow's Labour council is proposing drastic cuts to many local services. This includes cuts to **street cleaning, parks**

and **tree maintenance**, removing **dog waste bins**, and **not locking parks at night**. They are also 'consulting' on closing **libraries, children's centres** and **Harrow Museum**, and had even planned to close Harrow Arts Centre before they were forced to back down.

At the same time, they are re-instating the Chief Executive (which we had abolished) at a cost of over £1 million over four years, as well as taking on new press officers and failing to tackle back office waste. Yet they continue to blame 'government cuts'!

Labour's bad decisions are damaging local services

WEALD SCHOOLS EXPANSION

We have received many concerns from residents about the council's proposed expansion of **Weald Infant and Junior schools**.

As your local councillors, we are aware of the longstanding traffic and parking issues around both sides of the school, and clearly it will be important to ensure that these are addressed.

We recently presented a petition to the council with over 150 signatures, to say that expansion should not go ahead without significant measures to tackle these issues. We will continue to represent the views and concerns of local residents.

Please get in touch with any further comments or concerns.

SILVER CLOSE "TRIANGLE"

We are pleased to report that after persistent chasing we finally managed to get the council to clear the overgrown grass, shrubs and re-seed the patch at **Silver Close**. It had been in a terrible condition following works by council contractors.

MAINTENANCE UPDATE...

Your local Conservative Councillors have been working hard to raise issues with roads, street lighting and trees in Harrow Weald. The following improvements are due to be made in the coming months. We will continue to pursue other areas that need work, and please let us know any further issues.

ROADS RESURFACED

- Elms Road
- Uxbridge Road nr. Bannisters Sports Ground

Currently Planned: Hampden Road, Boxtree Lane, Hitherwell Drive and Maricas Avenue

HARROW WEALD COMMON

Cllr Pritesh Patel, Cllr Stephen Greek and Cllr Ramji Chauhan inspecting the Harrow Weald nature trail.

We recently inspected **Harrow Weald Common** to check it is being properly maintained, reporting various issues such as the poor surface of the car park.

The Common features 18 hectares of woodland, heath and pasture and great views around London. It also has a nature trail that we had installed a few years ago. It can be accessed from Old Redding and Common Road. We would encourage residents to pay a visit and enjoy this beautiful area.

FREE SMART WATER

With winter fast approaching, police are advising residents to take extra precautions in securing their properties and valuables from burglars.

To help local residents we are fully endorsing the police in the deployment of SmartWater traceable liquids. This is working well in the recovery of stolen property and is proving to be a good deterrent to potential crime, which has gone down significantly in Harrow Weald.

The Police are giving away **free of charge** SmartWater kits to residents on a first come, first served basis. Please contact us if you would like any further information.

HARROW ARTS CENTRE: SAFE FOR NOW

Harrow's Labour council was recently forced to abandon plans to close **Harrow Arts Centre**, following a huge backlash from local residents. A petition was submitted against the closure with 10,000 signatures.

The Arts Centre is a valuable asset for people across Harrow, and many thanks to all those who supported this important campaign.

Don't let Labour destroy our valuable community resources!
