HARROW COUNCIL UPDATE

Harrow now has a Labour council, despite our election in Harrow Weald.

We are proud of what the Conservative council achieved in just 8 months of control, including:

- Council tax frozen this year
- Extra street cleaning, grass cutting and hedge trimming, reversing Labour's neglect, and a special 'blitz team' to tackle problem areas
- 20 min free parking scheme for high streets across Harrow
- Reviving the popular Neighbourhood Champions scheme
- Making Harrow the safest borough in London
- Keeping parks and cemeteries locked at night, after Labour had planned to stop this

We will continue to fight for the best deal for Harrow Weald, working with our local MP Bob Blackman

GETTING THE JOB DONE

Park Crescent/Park Rise

We recently had the alleyway between Park Crescent and High Road cleaned and cleared of weeds. We are also working with the council to deal with problems on the private service road behind the shops.

Richmond Gardens

A hedge had been overgrown for some time. We intervened to help a local resident get it trimmed.

Elms Road/Kelvin Crescent

We had the green area cleaned up after it had become overgrown and will keep up the pressure for it to be maintained. We have also reported a faulty street light.

College Hill Road

A tree had been dangerously overgrown for a long time. It has now been cut back, thanks to the hard work of our local MP Bob Blackman.

TONY FERRARI

We would like to thank our retiring councillor, colleague and friend Tony Ferrari for his exceptional hard work, commitment and years of service to the residents of Harrow Weald. We wish Tony a very happy retirement, and all the best for the future to him and his family.
